6. Collective Investments Schemes in Securities (unit trusts) are generally medium to long - term investments. The value of participatory interests (units) may go down as well as up and past performance is not necessarily a guide to the future. Unit trust are traded at ruling prices and can engage in borrowing and scrip lending. All of the unit trusts may be capped at any time in order for them to be managed in accordance with their mandates.
7. Permissible deductions (referred to in point 5) from the total investment portfolio include bank charges, trustee/custodian fees, audit fees, manager's annual fee and regional council levies, UST brokerage (incl. VAT).
8. Unit prices will fluctuate relative to the market value of the underlying securities comprising the funds' portfolios, and can increase or decrease accordingly. The investor furthermore agrees that Coronation will not be liable for the consequences of the market influences and consequent charges in unit prices. The investor bears the total investment risk.

11. Coronation will not be responsible for any loss, consequential or otherwise, arising from changes in tax or other legislation that may have an impact on the performance of the investments.
12. Unit trusts operate under different tax rules. They are not taxed on gains derived from selling securities, but they do not enjoy automatic tax exemption. A transfer of units to another legal entity or natural person will result in payment of Capital Gains Tax (excluding transfers from the Coronation Money Market Fund).
13. Coronation may borrow up to 10% of the market value of the portfolio where insufficient liquidity exists in a portfolio, or where assets cannot be released to repurchase, or cancel participatory interests.
14. To the extent that the total expenses may exceed the income earned in the form of dividends and interest, the affected funds will not make a distribution.

B. ADMINISTRATIVE PROCESS

1. It is at Coronation's discretion to accept or reject the investor's application form, and Coronation will not enter into any discussion with regard to accepting the investor's application form on a particular date.
2. In the event that this application form, or any other written instruction is faxed or e-mailed to Coronation, the responsibility for ensuring that the instruction has been received and actioned by Coronation will lie with the instructor (investor or financial advisor). If you wish to confirm the receipt of an instruction, please feel free to contact the Client Service team on 0800 22 11 77.
3. The business cut-off for receiving an instruction is 14h00, except for the Coronation Money Market Fund which has a cut-off time of 12h00. The instruction will only be processed once supporting documents and proof of deposit has been received or supporting documents have been received AND the funds reflect in the relevant bank account. If the instruction is received before the relevant cut-off time and all requirements are met, the instruction will be processed on that day. Should an instruction be received after the relevant cut-off time, it will only be processed on the following business day, at the price of that day. These cut-off times apply to purchase/investment instructions, as well as repurchase and switch instructions.
4. All repurchases must be requested in writing and will be disinvested following receipt and acceptance of such written instruction and subject to Coronation's requirements being met. C. RINGFENCING

1. Ring-fencing is the separation and delayed sale of units in a Portfolio. Large sale of units in a Portfolio above certain thresholds may cause ring-fencing.
2. This ensures that the sale of a large number of units will not force Coronation to sell the underlying investments at a price in the market which could have a negative impact on investors. Coronation may delay the payment of reinvestments of the proceeds of the sale of units.

D. THE FINANCIAL ADVISOR

1. Coronation will only allow authorized Financial Services Providers (FSP's), who has been approved by Coronation to submit applications on behalf of investors. Coronation will verify each Advisor's license with the Financial Services Board. Coronation will not be held liable for any loss suffered by the investor due to delays in processing or rejection of this application form, should the investor's Financial Advisor not be authorized as an FSP, or not be approved by Coronation.
2. It is the responsibility of the Financial Advisor to act within his/her FSP license conditions. Coronation cannot be held accountable for loss or damage suffered by the investor as a result of their Financial Advisor acting outside his/her FSB licensed capabilities.
3. Advice fees agreed to between the investor and their Financial Advisor may be facilitated by Coronation who will disinvest the required number of units from the investment option(s) in order to pay the fees. It is the responsibility of the Financial Advisor (where relevant) to make sure that the investor is fully informed of all fees under this investment. VAT will be added to fees.
4. The Financial Advisor is responsible for ensuring that the investor receives and understands all appropriate advice, product and fee information, including changes in administrative processes of the Administrator.
5. The investor authorises Coronation to make all report and statements pertaining to the investment available, in whatever format, to the appointed Financial Advisor on his/her request.

* These Prudential Investment Guidelines apply to all retirement funds. To ensure compliance and protect all present and future investments within the Fund, when verifying your investment, the Fund will refer to the maximum exposure allowed within the mandate limit for the selected unit trusts at the date of each transaction to ensure that your investment does not exceed the set limits.

** The Total Expense Ratio (TER) is calculated as an annualised percentage of the average NAV of the portfolio incurred as charges, levies and fees (including VAT) in the management of the portfolio for the period 1 January 2009 to 31 December 2009, as well as the actual performance fee incurred over the 12 months to end of December 2009, where applicable. A higher TER ratio does not imply a poor return nor does a low TER imply a good return. The current disclosed TER cannot be regarded as an indication of future TERs.

*** The total TER includes a performance fee component as detailed. Figures in brackets represent a performance-related fee discount.

**** The Total Expense Ratio (TER) for this portfolio cannot be accurately determined. The TER of this portfolio will be in line with or higher than the quoted annual management fee.

***** The benchmark return is adjusted by the maximum individual marginal tax rate (currently 40%), over a rolling 12 month period.

1. If the fund delivers a negative return over a rolling 12-month period, then a discounted fee of 0.75% applies. If the fund produces a negative return over a rolling 24-month period, then Coronation will forgo the total management fee.
2. The investment manager shares in the fund performance above the benchmark. The performance fee is accrued daily, based on performance over a 12-month period and paid to the manager monthly. If the fund produces a positive return in line with or below the benchmark, the standard minimum fee will be levied. If the fund produces a negative return over a rolling 12-month period, the discounted minimum fee applies.
